

12-13-17

Wage & Salary Commission

Present: Noreen Klink, Stephen Titus, Kay Campbell, Kathy Jahr

Absent: Lonnie Root

This was our final meeting before our presentation on 12-14-17. We went through the document page by page and there were only minor changes. We tried to anticipate any questions and double checked our facts and figures. This is our last meeting for this year. The Wage and Salary Commission has many hours involved in this project and have enjoyed our work. We will be continuing again in the new year until all positions have been looked at.

12-5-17

Wage & Salary Commission

Present: Noreen Klink, Stephen Titus, Kay Campbell

Absent: Kathy Jahr, Lonnie Root

We discussed the position of Zoning Administrator, it was mentioned that the previous administrator only worked 3 days per week and had an assistant. The township is currently paying Kim Tuck \$27.00 per hour with assist from The current Zoning Administrator. We have had some difficulty finding info from other townships on the MTA website because some information is not reported. There were some changes recommended for our presentation and will be completed and discussed at our next meeting. We are recommending adding 5K to the current Administrator and adding a part time public safety officer for 18-20 hours per week at \$12-14 per hour to assist.
