

October 26, 2017

Wage & Salary Commission

Present: Kay Campbell, Stephen Titus, Kathy Jahr

Absent: Lonnie Root, Noreen Klink

We discussed the position of zoning administrator and code compliance. These two positions are grouped together and are under one umbrella. We discussed finding out what Pennfield and Bedford townships have for these positions. Also a township near Jackson, Blackman Twp., was considered but it was determined that it is not comparable to Emmett Twp. It was discussed having the property appraiser help with some of the zoning approximately 10 hours per week.

Wage & Salary Commission

Present: Lonnie Root, Stephen Titus, Kathy Jahr, Noreen Klink, Kay Campbell

We met to begin work on our next presentation. We decided to focus on what it would cost to replace Brandi Deshon who is the township zoning administrator and also does code compliance. It was decided that 12 hours per week would be offered to someone in public safety to help with code compliance. This is also a safety factor as there have been times when the public has not been cooperative re: violations and that it would be better to have a public safety officer in uniform checking re: violations and compliance.

Wage & Salary Commission

Present: Lonnie Root, Stephen Titus, Kathy Jahr, Noreen Klink, Kay Campbell

We discussed our presentation for the October 5 presentation. It was a short meeting as there were few changes that needed to be made.
