**Board Workshop:**

Board members present state how unfortunate it is that Hills attendance was not at the meeting.

Dick Brown unfortunately couldn't get off work due to the short notice, but other Board members seen it necessary for the plea of the Public.

Open Discussion among Board members mediated by Chief Olson as requested by the Public/Residents from the October 11, 2018 Regular Board Meeting. About perceived/alleged animosity towards Supervisor Hill because of all of the extra tasks completed by Trustee Buller that are not approved by the Board because of Hills absence at the office during regular working hours.

Lack of Communication from Supervisor Hill to Myers, Myers-Malone, Brown, and Dougherty along with all of the front office staff.

The way it's always been attitude... change can be positive.  
The Trustees will never prosper off of a reactive relationship and will not be productive.

There was much discussion amongst Board members trying to work out differences.

Meeting Adjourned at 11:01 a.m.

Motion 18-10-16 by Dougherty/ Myers to adjourn the meeting.
