Wage & Salary Commission

The minutes of this meeting are as follows.

Present: Kay Campbell, Noreen Klink, Stephen, Titus, Kathy Jahr

It was mentioned that there are web companies available to manage sites for \$200.00 per month which might be cheaper than paying an employee to do this.

It was agreed that we would recommend that the \$10,000 money from the sewer fund be permanently moved over to the base salary which would come out of the general fund. This would be for the supervisor, clerk and treasurer positions.

It was agreed that we would recommend that the supervisors salary be increased an additional \$7,864.00.
