All candidates were asked to sit in the Hallway until it was their turn to speak to the Board. Myers-Malone made a worksheet to score all candidates on four categories; accounting/ finance experience, management experience, teamwork, and Why they are interested in the Treasurer position and the Supervisor asked these questions to the candidates. Board Members also asked their own questions that they felt were critical to this position. We had seven candidates submit their resume/ letter of interest to the Board.

The first to be interviewed was Stephen Titus. Titus is the owner operator at Vegas Strip Gentlemen's Club, the new/ being built Italian restaurant, and several other businesses. Thornton has built teams and communities to increase morale. Thornton believes she's a "work-a-holic" and wants to help the Township create solid plans. Thornton has No official accounting experience or government accounting experience. Thornton said she would run in 2018 if appointed to the Treasurer position.

The sixth to be interviewed was Vito Vitti. Vitti, a retired man that was involved with accounting and administration but No government accounting. Vitti has a bachelors in accounting, knows his way around QuickBooks, and Microsoft programs. Vitti contributes to the job itself not just the workers.
